BACKGROUND DATA AND COMMENTS:				
<p>GYROSE</p> <p>Source: The information attached to this report fell into the hands of JMWAVE through two distinct channels. Sometime prior to 7 July 1962 AMCOG-2 through a cut-out had delivered to AMBLEAK-2 some material. AMCOG-2 does not know AMBLEAK-2. AMBLEAK-2 brought it out to AMBLEAK-1 who on 7 July 1962 turned the "pouch" over to HAWLOTT, AMBLEAK-1's C/O. C/O intercepted this "pouch" and xeroxed the cover pages of the reports which were generated by <u>AIMPEX</u>; the material was then re-inserted in the "pouch" and sent on its way. The <u>AIMPEX</u> reports scheduled for the AMSPELL organization. It is assumed that the AMSPELL received the material in due course, and they in turn delivered the material to NOEMAYR(P) the AMSPELL C/O, on or about 19 July.</p> <p>This is the background to a story which now gains new importance. The information which was copied by HAWLOTT is not reflected in toto in the material eventually received by NOEMAYR, thus the xeroxed copies of some of the documents, original copies for which were not received from the AMSPELL organization.</p>

REPORT COVER SHEET (continued)

Operational security precludes a confrontation of the ANSPELL organization, therefore Headquarters will have to be satisfied with copies of the original documents for some of the import/export items, and with xeroxed copies of merely the cover sheets for some of the other items.

This whole sad story has had one positive reaction. On 24 July 1962 at 1930 hours NOEMAYR and PAPOCK will be visiting the intelligence components of the ANSPELL organization to see what type of information they might have which does not, has not, and probably was not going to be forwarded to NOEMAYR.

Place acquired changed to Cuba to facilitate dissemination.

According to the DRE the ultimate source is [redacted] The covering note from the DRE in Cuba to the DRE in exile pointed out that these documents were originals, and that the information in them is available to Dorticos, Fidel, Carlos Rafael Rodriguez and two or three other people. An evaluation of this material would be appreciated from KULYNX.
